Pawan Hans – a symbol of Professional and Dedicated MRO Services

Pawan Hans is the flagship helicopter services provider in India and is the South Asia's largest helicopter company that operates and maintains more than 50 helicopters. Pawan Hans MRO Services has made relentless efforts towards achieving self-sufficiency in maintenance of helicopters. Over a time period, Pawan Hans MRO Services has created maintenance infrastructure with state-of-the-art facilities and workshops. These are being upgraded from time to time to achieve high helicopter availability. Pawan Hans MRO Services has also developed in-house expertise for major overhaul of helicopters effecting substantial savings in terms of time and cost.

Pawan Hans offers its customized maintenance support for your new generation aircraft with Quality service by highly qualified manpower and with capacity for flexibility.

Our MRO Objectives

Our Strength

- Highly skilled and trained manpower
- Efficient engineering, material & logistic support
- Extensive use of specialized tools & equipments
- MRO with network coverage of 21 base locations across India.
- As a Nation's Largest Helicopter Company, We understand MRO requirements of our customers better and hence can offer Customized solution for every Customer need.
- Adopted latest Maintenance and Engineering IT solutions for efficient working, improved documentation & records to reduce costs.
- Extensive workshop capabilities to support frontline maintenance.
- High Quality at economical cost
- Low turnaround time
- Elaborate incoming parts inspection to ensure use of authentic spares.
