**My Pride..My Pawan Hans**

## THE HUMBLE BEGINNING...

The year 1985 witnessed India's strategic sector like oil and gas and power getting concerted boost from the government and the nation taking off on a journey to a new era of growth and development. This is the year when India's "Own Helicopter Company" was envisioned by the nation's think tank and, subsequently, realized with the incorporation of "Helicopter Corporation of India Ltd." (HCIL as PHL was known then).
